FIRST BAPTIST CHURCH

8740457

EDMONTON.

June 17, 1912.

The Minister of the Interior,

Ottawa, Can.

Dear Sir:

The Baptist people living to the south of Jenkins Station on the line of the Grand Trunk Pacific Railway, west of Edmonton, are desirous of erecting a church building. They are, for the most part, homesteaders.

It will be necessary for the building to be erected upon one of the home-steads. Mr. Joseph Groff, who is home-steading upon the south-west quarter of Section 23, Township 53, Range 9, is willing to grant a small part for the purpose of the church building.

As the Home-steed Law makes all agreements to transfer, made before the securing of a patent, null and void unless the permission of the Minister shall be granted, I am writing to ask if you will accord your permission to this agreement.

I am enclosing a rough draft of the proposed agreement. I will be glad to hear from you re your approval.

Yours truly,

F. W. Patterson

Sir,-

I beg to request that one-half acres, described as follows:- (insert description here) at north west corner of S. 16. 2nd Quarter Sec. 23 Township 53 - Range 9 - west 1/2 1/2 meridian be withdrawn from my homestead the S. 16. 1/4 - Sec. 23 - Township 53 - Range 9 in order that such 1/2 acres may be granted to the Baptist Union of Western Canada for church building - purposes. The same not to be used for burial purposes. I have not received, nor do I expect to receive any compensation for relinquishing my right to the 1/2 acres in question.

Dear Sir:

We have been looking up your letter, file No. 1728782. Your former letters re this matter were addressed to Rev. F. W. Patterson Edmonton. This has been handed over to me. I am enclosing the declaration required and also \$1.00. You will notice a slight change, instead of it being the South West corner of the North West quarter of section 23 it is the North West corner of that quarter and section. If that is not the description in the home-steaders application it was simply a clerical error.

I remain

Sir,

With reference to your letter of the 21st ultimo, files 162091, 161430, I beg to say that under the regulations, if an applicant for inspection withdraw his application, the proceedings have to be continued, and if the homesteader fails to file a defence, there would appear to be no reason why cancellation should not take effect at the expiration of the sixty days limit.

So far as concerns Mr. Adolf Roga, and his entry for the South East 4 Section 23, Township 53, Range 9, West Fifth Meridian, there is no record here of his having as yet filed any defence.

Your obedient servant,

The Agent of Dominion Lands,

The Department of Lands and Forests have advised me that according to their records William Nieman filed on the M<sup>3</sup> of 14-56-3 W5th on the 25th of September, 1928, and later secured patent from your Department.

I am trying to secure an Old Age Pension for Mr. Nieman, and I have been unable to secure evidence with respect to his age. May I therefore ask you to search your records with respect to his entry on the quarter-section referred to, and furnish me with a certificate, or what have you, with respect to his age and etc., which must have been declared to in 1928.

Your co-operation with respect to this matter will be greatly appreciated.

1. The first of these is the fact that the majority of the population of the United States is now living in urban areas. This is a result of the process of urbanization, which has been going on since the beginning of the 20th century. The process of urbanization is the movement of people from rural areas to urban areas. This is done for a variety of reasons, including the search for better living conditions, the desire for education, and the need for employment. The process of urbanization has led to the growth of large cities and the decline of small towns. This has had a significant impact on the way we live and work. For example, it has led to the development of new technologies and industries, and it has changed the way we think and behave. The process of urbanization is still going on, and it is likely to continue for many years to come. This is because there are still many people who are looking for better living conditions, and there are still many people who are looking for education and employment. The process of urbanization is a complex one, and it is one that has shaped the world in which we live today.

Sir

I have been reading your amendments to the Lands Act & I find that any member of any Military Force who has been disabled, has certain privileges regarding Homestead duties.

Sir I wish to state that I am an Invalid from the North West Mounted Police - Was Invalided at the close of the North West Rebellion without compensation - in the year 1886 I think

I am now situated on a piece of Land which is soon to be surveyed & understood & I intended to try to take it as a second Homestead as I have no Land, or purchased Homestead having exhausted my Homestead right about twenty years ago I have a few head of Horses & Cattle & have did considerable improvements on the Land I am now situated on & any privileges I am entitled to as to Settlement Duties - purchased Homestead, &c. - would be gladly welcomed. 23. "If it is established to the satisfaction of the Minister that an entrant, while on active service as a member of any such force, company or contingent, is so disabled by wounds received in battle, or because of illness resulting therefrom, or from any other cause, after his enrolment as a member of such force, company or contingent and up to the date of his discharge therefrom, that it is not possible for him, because of such wounds or illness, or other cause, to resume occupation of his homestead and complete the conditions of his entry therefor, the Minister may forthwith issue letters patent for the homestead in his favour."

Your right to a second free homestead or a purchased homestead will be considered if you furnish a description by Section, Township, Range and Meridian of the land you formerly held under homestead entry.

I beg to acknowledge the receipt of your letter of the 22nd of November last, and in reply to say that from your statement it does not appear that the clause of the Dominion Lands Act relating to a homesteader who has been disabled whilst on active service applies to you.

I quote for your information clauses 22 and 23 of the Act: "

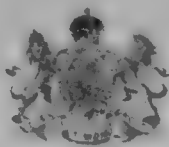

22. Notwithstanding anything in this Act, the time during which an entrant is absent from his homestead while he is a member of a military force enrolled under the authority of the Minister of Militia and engaged as a member of that force in the suppression of an outbreak or insurrection in any part of the British Empire, or in the defence of the British Empire against a foreign power, or is a member of a company or contingent of Canadian volunteers enrolled under the authority of the Minister of Militia for active service, and also a period, not exceeding three months after his discharge as a member of the said force, company or contingent, to permit him to resume his residence upon his homestead, may be counted as residence upon his homestead, within the meaning of this Act."

Re: Account of Wm. Conway  
S.W. 1/4 23-3-12-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1920 seed grain amounting to \$529.40 was advanced to Wm. Conway on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$529.40         | \$1,129.58      | \$1,658.98   |

The S.W. 1/4 23-3-12-W.4th was formerly the homestead entry of the debtor on which security the 1919 and 1920 advances of seed grain were obtained.

According to an Abstract of Title dated the 16th of January, 1956. this quarter section of land now stands in the name of a Mr. Charles Conway of Lucky Strike, Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for the advances, it is recommended that the indebtedness be cancelled.

  
W. J. Taylor.

 a full-time position?

When parties of each year since applying for patent for your business and how you lived upon the homestead or pre-emption, giving actual dates.

When absent from your home, stand or pre-emption, where have you been and what has been your occupation?

10. What is the value of  $\lambda$  in case of  $\lambda$  and for what portion of real  $\lambda$  will the value of  $\lambda$  be the same for all  $\lambda$ ?

1. Has patient ever passed for your hometown? (b) Do you

What is the purpose of your homestead now? Are you breaking up your homestead, your homestead or part of it, or are you and how many acres have you cultivated each year?

1. The first step in the process of the scientific method is to make an observation or ask a question. For example, you might notice that your car won't start in the morning and ask, "Why won't my car start?"

As a consequence, the  $\mathcal{L}_1$  norm is not a good choice for the regularization term in the  $\ell_1$ - $\ell_2$  minimization problem. Instead, the  $\ell_2$  norm is a better choice for the regularization term in the  $\ell_1$ - $\ell_2$  minimization problem. This is because the  $\ell_2$  norm is a smooth function, while the  $\ell_1$  norm is not. The smoothness of the  $\ell_2$  norm allows for the use of gradient-based optimization methods, which are more efficient than the coordinate descent method used for the  $\ell_1$ - $\ell_2$  minimization problem.

It was not until the 1960s that the first serious studies on the effects of the environment on the development of the brain were conducted. These studies showed that the environment can have a profound effect on the development of the brain, and that the brain is not a static organ, but one that can change and adapt to its environment.

Q. And that's not a question of whether or not you're interested in principles and would like to be placed with other people?

## ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

- (1) of Canada and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,
- (2) of His Majesty or of any of His Majesty's Allies and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or
- (3) of His Majesty or of any British Dominion or Colony and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service thereon; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who:—

- (a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,
- (b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of any land; or,
- (c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

## Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:

### CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

### RIGHT OF ENTRY IN AREA A RESTRICTED

By section one of the Act 15-16 (George V), chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for land situated within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person can make evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than five miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Memorandum:-

N.E. 1 of 23--13--17, W. 4th  
Homestead of Charles E. Tainter,  
Declaration of abandonment filed.

Mr. Tainter executed a declaration of abandonment on the 1st March, 1917, for the purpose of locating Military Scrip.

The Agent was asked what kind of scrip Mr. Tainter proposed to locate.

The Agent now reports that Mr. Tainter informed him that the scrip was known as "Red River Scrip".

I assume that this refers to scrip issued to persons engaged in the suppression of the first Riel Rebellion and which could be located without calling for the performance of any settlement duties and in regard to which, I believe, no time limit was set as to location.

This is practically the same as Half-Breed Scrip, and, as the sanction of the Minister is required before granting permission to locate the latter, I assume that this case should also be submitted for decision.

Respectfully submitted,

J. W. Greenway, Esq.,  
Commissioner of Dominion Lands,  
Ottawa.

N.B.- Attention is directed to the last paragraph of the Agent's letter of the 1st March which reads as follows:-

"I might also state that Mr. Tainter was informed that it would be necessary for him to submit a report of the progress made with the settlement in connection with this land and he informed me that he is prepared to do this."

Certificate.

I, Lieutenant Colonel J. B. Amyet, of the City of Quebec, Province of Quebec, declare and certify that the Thomas Labbé whom I knew and who served in my Company in the Red River Expedition ~~of~~ from May, 1870 to May 1871, is the same said Thomas Labbé for whom claim is made and whose death, death took place already long ago, and was reported to me since.

DEPARTMENT OF MILITIA AND DEFENCE.

May 9, 1912.

Sir:-

Having reference to the Department of the Interior No. 2099168 of 7th May instant on the subject of Military Bounty Land Warrant No. 9531, and the papers which accompanied it, I have to say that the Lieut.-Colonel Amyot, who signed the certificate of 20th April last declaring that Thomas Labbe had served in La 7 Company of the Second Quebec Rifles during the Red River Expedition, was the Captain of that Company in that Expedition, and his certificate may very well be taken as proof that a man named Thomas Labbe actually served. It is observed, however, that Colonel Amyot does not say that he is the Thomas Labbe whom the applicant claims to represent. It would be more satisfactory if Colonel Amyot would, if he can, show some connection between the Thomas Labbe who served and the present claimant. There is indeed a remarkable absence of any evidence to show such connection. It is true that a Mr. J.O. Faucher makes a declaration, but he does not state the source of his information. So far as can be seen, he states only what has been told him. He does not state facts and circumstances, which would lead one to

N.O. Cote, Esq., D.S.O.,

Chief of Land Patents Branch,

Department of the Interior,

Ottawa, Ont..

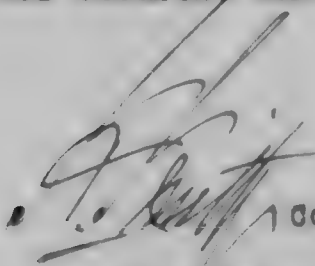

to suppose that <sup>he</sup> had a personal knowledge of the deceased Labbe. In short, there is nothing by which the Labbe, whom the claimant professes to represent, is identified with the Labbe who served. If the original discharge, for example, had been produced, it would be different. They produce only the certificate of Colonel Amyot that a Thomas Labbe had served. That, no doubt, Colonel Amyot would have given to any claimant, no matter how baseless the claim might be. I do not think that the indentivity has been established.

Department of the Interior file  
No 2099168 is herewith returned.

I have the honour to be,

Sir,

Your obedient servant,

  
Colonel,

Montreal, June 29th. 1912.

To the Secretary,  
Department of the Interior, JUN 1  
O t t a w a, Ont.

Dear Sir:-

Replying to your letter of the 27th. ulto. asking me more particulars to identify the deceased Thomas Labbé, regarding the Military Bounty Land Warrant issued to him for service in the Red River Expedition, I wrote to Colonel J.B. Amyot and he sent me a certificate complying to your request, which you will find herewith enclosed, certifying that the deceased Thomas Labbé is the said Thomas Labbé who served in the Red River Expedition and through whom the claim for the Warrant is made.

With further explanations to my declaration, it is understood that the source of my informations are from persons who took knowledge of the facts and circumstances as Lt. Col. J.B. Amyot who was the Captain of the Company in which the deceased Thomas Labbé has served and Napoléon Voyer of St. Marie, Co. Beauce, Que. who took part of the expedition for the same Company and at the same period as the deceased Thomas Labbé.

I never knew the deceased Thomas Labbé, but allow me to tell you that I have a personal knowledge of his brothers and sisters who are the heirs at Law.

I am authorised by Narcisse Labbé to make this claim, who is a brother of the deceased Thomas Labbé, and one of the heirs at Law.

It has been impossible to find out the original discharge certificate.

-2-

Hoping that this letter will help you to establish the identity of the deceased Thomas Labbé about whom this claim is made for the Warrant with the Thomas Labbé who served in the Expedition, I beg to remain,

Yours truly,

Gentlemen,-

The undersigned, Charles W. Smith, who has filed on the East half of Section One (1) in Township Eleven (11) Range Twelve (12) west of the 4th Meridian, and

Lafayette S. Smith, who has filed on the west half of section Four (4) same township and Range, all in Alberta, Canada, ask leave for an extension of time to get on their claims.

The first named person, Charles W. Smith, has just returned, March 18, 1909, from his land where he has just finished building his house thereon, and finds that on account of the very severe winter here in North Dakota, that most and in fact nearly all his machinery is under snowdrifts and he cannot get it out until the snow melts, and the roads are very poor and almost impassible at present with a load. This will delay his departure for a few days. They may be able to get to their land in time, but for fear that anything should happen to delay them they wish to be ready and save their land. Please reply at once if you grant an extension of time.

SIR:

I am in receipt of your letter of the 15th ultimo with accompanying report made by Remondet Inspector Wilcox, which merely states that L. Smith is at Calgary, Alta., and not intimating that any action was taken towards collection of the indebtedness incurred by him on the security of this land.

The annual statement addressed to Mr. Smith at 104- 4th St. N.E., Calgary, was apparently received as the same was not returned unclaimed.

The amount of principal for advances obtained in 1918 and 1919 totals \$674.80, which with interest computed to 31st March last amounts to \$946.96. In view, therefore, of the large amount of indebtedness outstanding, and the matter of the cancellation of his entry for this land being under consideration, I am requesting the Agent of Dominion Lands at Calgary, by copy of this letter, to endeavour to have Mr. Smith interviewed, and collection on account of this indebtedness made.

Haddell, the transfer being registered on the 13th of April, 1917. The quarter was then transferred from Haddell to one James Neil, the latter transfer being registered on the 29th of August 1917.

As requested in your letter of the 7<sup>th</sup>. ultimo, files 1727517-1729403, addressed to the Agent of the Dominion Lands, Lethbridge, a copy of which was forwarded here, I beg to say that Lafayette S. Smith has been interviewed. He is employed by the Hi Heat Coal Co., 6<sup>th</sup>. St. East, Calgary, and resides at 101 ( not 104 ) 4<sup>th</sup>. St. N.E. Calgary.

He says he transferred title to his homestead, and the party who became the owner, whose name he could not at the time recall, undertook to clear the seed grain encumbrances. He further claimed that he did not receive any seed grain advance in 1919.

As regards his present financial standing, he claimed he has nothing but his wages, which are not high, for living expenses.

If further action is required, I shall be pleased to act on your advice.

Re - S. W. 4-11-18 & 4

Sir:

I am in receipt of your letters of 26th ultimo and 1st instant, and I would direct your attention to the fact that this land is subject to cancellation in regard to which official action has not yet been taken.

The information contained in your letter of 1st instant would seem to affect matters as touching on S. W. 4, as from Abstract of Title before me the 1918 indebtedness appears duly registered and shows transfer from Lafayette S. Smith to Alexander Maddell registered on 1st April, 1927, and a later transfer was made from Maddell to James Neil on 29th August, 1918, and Neil is the present owner.

This - of course - does not protect us for the 1919 indebtedness incurred by Mr. Smith against the land above described, and I would therefore ask that you have this matter taken up with Mr. Smith in an effort to have him liquidate his 1919 indebtedness.

Pre-emption - L. S. Smith.  
Date of entry 29th September, 1908.  
Cancellation proceedings instituted  
against this entry on behalf of the  
Department on the 1st March, 1924.  
-----

This man made application for patent on  
the 10th July, 1917, showing the necessary duties completed.  
A Certificate of Recommendation issued on the 5th April,  
1921, and has been returned to the Department.

On the 15th April, 1923, Mr. Smith was  
advised to furnish a declaration on form #59 that he had  
been residing on and farming the above land. No reply was  
received.

On the 24th October, 1923, Homestead In-  
specter Wilcox reported that Mr. Smith was residing in  
Calgary.

Remarks

"There has been 80 acres broken on this  
quarter-section but has all grown up to grass and  
weeds; has been five or six years since it has been  
seeded. I would recommend that cancellation pro-  
ceedings be instituted against same."

In view of this report the Agent was  
instructed if nothing was heard from the entrant to institute  
cancellation proceedings on the 1st March. Cancellation  
proceedings instituted. No defence was filed. Abstract of  
Title dated the 9th May, 1924, shows that no encumbrance  
has been registered against the quarter-section.

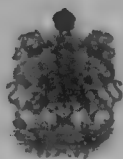

On the 26th May last, Mr. Smith was re-  
quested to advise this office within thirty days from that  
date what his intentions were in regard to paying the  
purchase price. No reply has been received.

Up to the 31st March, 1924, the Seed Grain  
indebtedness amounted to \$219.46, and up to the 1st November  
1923, the amount owing in connection with the purchase price  
of this land was \$721.65.

In view of the above I would recommend  
that the entry be cancelled.

The amount of the indebtedness is \$168.25, to which should be added interest at the rate of 7% from the 22nd of April, 1919, to date of payment.

I might add for your information that Mr. Smith claimed he had no recollection of having received Seed Grain in 1919, but the Department is in possession of the original application form and lien executed by Mr. Lafayette S. Smith, of Gardett, Alta. on the 2nd of April, 1919, witnessed by William Anderson, and a comparison of the signature on the Lien with that on the Lien executed by him in 1915, shows that he is undoubtedly the same man.

General Remarks Continued -

Sir:-

Referring to your letter of January, 26th requesting me to call on Mr. Smith at 191-4th Street, N.E., Calgary, I wish to say that I called there, but found that he was working for some Coal Company, and I finally located him unloading a load of coal at the Mechanics Garage.

Mr. Smith informed me that he was broke, and did not intend to pay this debt, and that the Government could have the land. He claimed to have a receipt from the Government for \$200. but he was not sure what it was for, but said he would send it to the Land Office.

I do not see that anything further can be done, except to close this out, as Mr. Smith does not intend to pay.

Sir,

Jesse Neil.

Relative to yours of the 25th ultimo addressed to the Secretary of this Department, and in connection with the Seed Grain indebtedness outstanding against the above described land as incurred by the former owner L.E. Smith, I beg to advise that those Liens are a prior charge against title and Mr. Neil is responsible for re-payment as long as he remains the registered owner.

As contended by you the land itself is liable for the debt, but I would point out that the Department has the right of foreclosure under those Liens in case no satisfactory arrangement is made for their liquidation.

Your obedient servant,

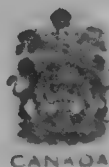

P. Marchand.

In the Matter of The Volunteer  
County Act of 1867 and of Certificate No.  
issued to Mrs. Mary Gaines and  
assigned to Frank Isley.

TO WH

I, Frank Isley

of the Township of East Swilinton,

in the County of York.

**Do Solemnly Declare that**

1. I am the substitute named in the transfer of certificate No. issued to Mrs. Gaines under the Volunteer County Act of 1867 and that at the time I took over the said certificate I paid her the sum of \$1,000 in cash therefor intending to go direct to the west and select the land and make my home there.
2. Accordingly I went to the west and after remaining there for a couple of months and looking after a selection I found that the country did not agree with me and that on account of my health I was obliged to return to Ontario.
3. Not being able to stay in the west I cannot take up the land and perform the duties thereon required by the Statute, so that the certificate is useless to me and as I am unable financially to do without the money invested I have appealed to the original Grantee Mrs. Mary Gaines and have asked for a return of the money, provided she would be placed in the same position that she originally was in and she has consented to do so. And I therefore make this declaration in support of my application for relief in this matter.

And I Make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Oath-taking Act

Declared before me at the town

LAND PATENTS BRANCH,

Ottawa, 2nd September 1910.

MEMORANDUM:-

With reference to your memorandum of 24th March, 1909, respecting the cancellation of instruments appointing substitutes under the Volunteer Bounty Act, 1908, I beg to submit the evidence received with Mr. W.C. Widdifield's letter of 30th ultimo, being a release from Frank Ostley in favour of Mrs Mary Haines to whom South African Volunteer Bounty Land Certificate No. 5240 was issued, as legal Representative of Wolsley Haines, deceased, accompanied by the declaration of Frank Ostley who states that on account of his health he was unable to remain in the West.

These documents would, in my opinion, warrant the Department in cancelling the instrument appointing Frank Ostley the substitute and issuing a new certificate in the name of Mary Haines, legal Representative of Wolsley Haines, deceased.

Respectfully submitted,

Chief of Branch,

W. E. Cory, Esq., C.M.S.

Secretary of the Minister  
of the Interior.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are hereby APPROVED AND ACCEPTED.

The above party obtained a Joint Relief Advance giving as security a lien on the title to the above land.

As a result of somewhat improved conditions recently the debtor has been able to take steps to place his affairs on a much more sound basis and is anxious of clearing all his liabilities. The sum of one hundred dollars (\$100.00) has been tendered in settlement of the above account through the debtor's solicitor. The solicitor advises that in common with other residents in the Special Areas, the debtor has had a difficult time in the past and this is quite understandable as his land is situated in a township which has been declared eligible for awards 9 years out of the 11 in which awards have been granted, under the Prairie Farm Assistance Act, up to and including 1950. I am also advised that the debtor is well along in years and is not in good health with the result that he is somewhat handicapped in his farming operations. He has a family of 6 children still attending school which he must provide for.

As a fair amount has already been paid on account of this indebtedness and in view of the circumstances set out, I would recommend that the offer be accepted, the balance of the account being written off and the lien discharged.

Yours very truly,
